

CHICO POLICE DEPARTMENT

PRESS RELEASE

530-897-4900

September 7, 2012

For Immediate Release

The City of Chico Animal Shelter is waiving the adoption fee for all cats for the month of September. Adoption includes the cat's first vaccinations, and a microchip. Adopted cats are eligible for a discount on the chip registration. Cats can be tested for FELV for an additional \$15. Adopters are responsible for having the cat spayed or neutered; however, there are over 20 cats that are already spayed or neutered waiting for a new home.

For more information, or to adopt a cat, visit the City of Chico Animal Shelter at 2579 Fair St, Chico, or call 530-894-5630.
